

Dear Owners,

July 15, 2022

It is a wonderful feeling to share with you that our 2022 Spring Refurb is complete! As of July 6<sup>th</sup>, the final wall bed was installed so we can occupy the units. The completion was slowed by a delay in delivery of the wall panels for the beds due to COVID issues at the manufacturer.

Ethan Clark, Manager of your Food & Beverage department, would like to welcome you in for your dining pleasure. Until further notice, upon check-in you will receive the following offers in appreciation for your continued support:

- One Breakfast Voucher for each night of your visit. Each voucher entitles you to \$7.00 off breakfast per person at the table.
- Visit us for lunch and receive “Buy One - Get One” Lunch Entrée. If your lunch party is more than two, then your owner’s discount can be applied to the other members in your party.
- Visit us for dinner and receive “Buy One - Get One” Dinner Entrée. [Try our culinary team’s Summer Dinner Menu that is attached.](#)

We appreciate you, our valued Owners at the Mountain Club on Loon, and we want to Thank You for all your support of the Club and The Black Diamond Pub. Without your continued support, we are not able to serve you and our rental guests. In November of 2021, we were once again very humbled when you stepped up to the plate and put your full support behind us by voting for the restaurant renovation assessment - allowing us to move forward toward the future and provide a better product for you, your families, and all guests. We are very excited to be working on the future of dining at The Mountain Club on Loon. We want to provide a blend of modern and traditional dining experiences in an updated, unified dining room - while still offering the same slope side ski resort comfort.

The restaurant renovation project is currently focusing on the design and layout of an expanded kitchen to allow us to better serve all of our guests in a quality and timely manner. An equipment list is being created for the expansion of the kitchen. Our goal is to phase in the renovations with as little disruption of the restaurant operations as possible. We plan to present the entire plan with timelines at your annual meeting in November.

Your Spa and Wellness Center is now also offering you a midweek “Buy One Spa Service - Get One 50% off”. Please be sure to book your services prior to your arrival as appointments fill up fast.

The White Mountains and The Mountain Club on Loon are here for your enjoyment and we look forward to serving and fulfilling all of your vacation needs.

Sincerely yours,

Jeff McIver

Your Mountain Club Team
